Cooperate with each other to ensure a safe environment for everyone on campus.

Be well-prepared before visiting any faculty by checking your location and schedule at mytimetable.tudelft.nl.

WEAR FACE MASKS when traveling with public transport. These are mandatory and you can get fined if you don't.

Keep 1.5 METER distance everywhere at all times.
Use your campus card to access your building: remember to have it on you at all times.

To make sure buildings don't get too crowded... arrive a maximum of 5 MINUTES before the start of planned activities. Immediately go to the location of the activity, and leave the building promptly after the activity.

Check the adjusted opening hours of the Library to borrow and return books and collect readers.

During breaks, be mindful of the walking routes and do not leave the building.

To use the VR ZONE in the Library send an e-mail to VR-Zone-lib@tudelft.nl.

STUDY PLACES are only available to those that are advised by an academic counsellor.

Download the map with walking routes in the buildings on Brightspace and always follow the walking routes that are marked with arrows. There is one-way traffic in various places.

TAKE THE STAIRS if you can: the elevators are reserved for disabled people and freight transport.

Before you take part in different activities at X, check their timetable. Be aware that for some activities both a subscription and supplement is needed.

We are very happy to see you!
