### Admission Requirements

Yes, if:

- Students of the concerning Bachelor's programme cannot take the minor.
- Students need to have completion of calculus.
- Students have to meet the requirement for non-beta mechanics and materials.
- Students need to have an online test to determine if the requirement for non-beta mechanics and materials is fulfilled.

**Check the admission requirements and minor description carefully. If you are unsure about the knowledge required for a minor, contact the minor coordinator mentioned in the minor description.**
